Re: *Wren, et al., v RGIS Inventory Specialists LLC*, Case No. 3:06-cv-05778  
*Piper, et al v RGIS Inventory Specialists, LLC*, Case No. 3:07-cv-00032

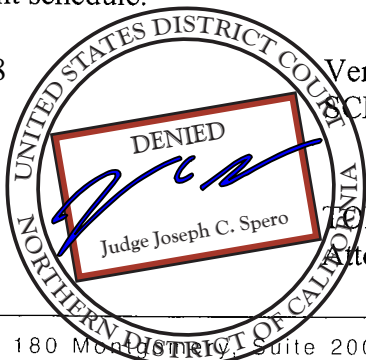

Dear Judge Spero:

Pursuant to the Court's Order of March 17, 2008, we met and conferred with Defendants counsel, Ms. Orr and Ms. Sager, in person yesterday regarding the outstanding discovery issues. Unfortunately, even after the meet and confer, significant discovery disputes remain. The parties will submit joint letter briefs on these issues tomorrow per your Order.

However, given that the disputes both impact Plaintiffs' ability to properly brief class certification under FRCP 23 and that Plaintiffs' current deadline for filing class certification briefing is April 4, 2008, Plaintiffs write to request that the Court set an immediate Case Management Conference for the purpose of resetting the dates for class certification briefing to a time after the Court has had an opportunity to rule on the existing discovery disputes.

We have raised this issue with Defendant and they do not oppose the immediate setting of a Case Management Conference. Should the Court not be available for a formal Case Management Conference, Plaintiffs request a telephone call with the Court to address the issue of the current schedule.

Dated 3/20/8

Very truly yours,
